

## product focus: power hand tools

### WORK CLEAN AND DRY

The CS 2000 water recycling and slurry containment vacuum provides a portable water supply for contractors cutting, coring, or grinding wet. In addition, it traps slurry in a porous filter bag while a continuous loop system returns clean water back to the tank for reuse. The vacuum pumps 78 gals./minute at ground level and has a maximum water lift of 18 ft. CS Unitec Inc. 800-700-5919. [www.csunitec.com](http://www.csunitec.com). **Circle 86.**

### INSPECTION LIGHT

The C-100PA high-intensity ultraviolet lamp helps check for cracks, defects, contamination, and surface flaws in confined places that are inaccessible to larger lamps. The lamp head measures just 7x9.5 in. and has a bulb that has an average rated life of 5000 hours. It features a lightweight, stay-cool pistol grip, and a heat-resistant filter holder. Spectronics Corp. 800-274-8888. [www.spectroline.com](http://www.spectroline.com). **Circle 87.**

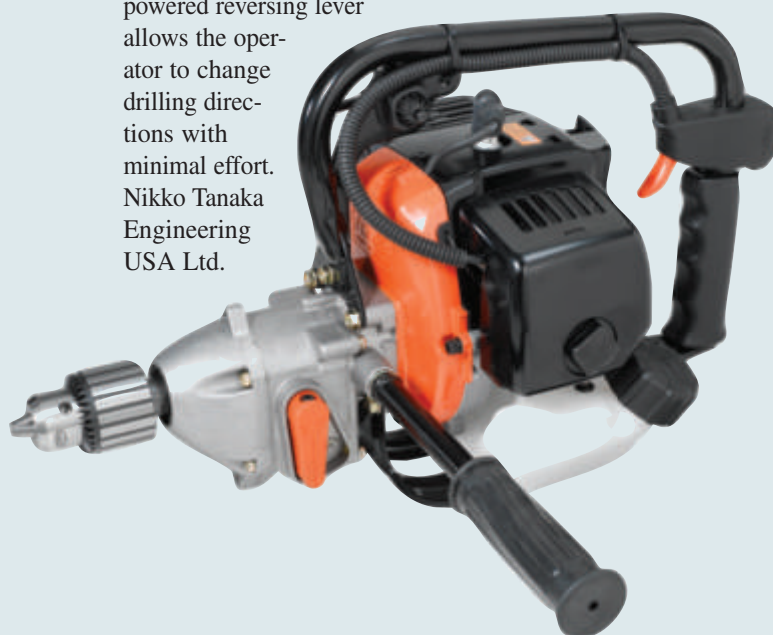

### HAMMER DRILL/DRIVER

The 14.4-v SFH 144-A CPC hammer drill/driver features a lithium-ion battery and offers the power of higher-voltage systems while weighing much less. It provides up to 609 in.-lbs. of torque and can deliver up to 34,200 beats/minute in masonry block. Other features include all-metal gears, and a drop-resistant glass-fiber reinforced casing. Hilti Inc. 800-879-8000. [www.us.hilti.com](http://www.us.hilti.com). **Circle 88.**

### GAS-POWERED DRILL

The gas-powered TED-270PFR drill contains a dual position, padded front handle, heavy-duty fuel tank protector, rear handle brace, and an improved throttle lever from the previous model. It has a 12-in. chuck; maximum bit sizes are 1/2 in. for concrete and steel and 1 in. for wood. A powered reversing lever allows the operator to change drilling directions with minimal effort. ### ANGLE GRINDER

Used for cutting and grinding concrete or metal, the 4 1/2-in.

W8-115Quick angle grinder weighs 6.2 lbs. and features an 8-amp motor with 800 watts of power, 19 1/2 in.-lbs. of torque, and a no-load speed of 10,000 rpm. Its repositioned brushes and a fan that pulls through 35% more air keep the motor cool during operation, and a

racket grip and dual grip zones provide operator comfort. Metabo Corp. 800-638-2264. [www.metabo.com](http://www.metabo.com). **Circle 90.**

### CONCRETE DRILL

With 1.4 ft.-lbs. of impact force and a 4.8 amp motor, the 11258VSR concrete drill has a sensitive variable speed trigger that offers an operating range of 1 to 1700 rpm and 0 to 4400 beats/minute. It's equipped with a 360-degree auxiliary handle

with built-in depth gauge and ergonomically designed pistol-style padded grip. The 5/8-in. SDS-Plus drill offers two modes of operation—hammer mode

and rotation-only. Bosch Power Tools. 877-267-2499. [www.boschtools.com](http://www.boschtools.com). **Circle 91.**
